ACHIEVEMENTS

- Coding Competition - K.D.K. College | C++**
- Competed in an inter-college C++ coding competition among 100+ participants.
- Volunteered at Music Event**
- Coordinated with event staff to manage crowd control and ensure the safety of attendees.

PROJECTS

Company Internship Website Design (live) | *HTML, CSS, Bootstrap, JavaScript*

- Designed and developed a professional static company website showcasing key information and services.
- Utilized HTML for structure, CSS for styling, and Bootstrap to ensure a responsive, user-friendly design.
- Optimized the website for seamless functionality across various devices and screen sizes.

Blood Bank (Final Year Project) | *PHP, XAMPP, HTML, CSS, Bootstrap*

- Created an Online Blood Bank platform connecting donors and recipients within the same city.
- Implemented secure user registration and real-time search functionality for blood availability.
- Ensured a user-friendly interface with efficient data handling for seamless interactions.

Bike Rental Project Web Application | *Servlet, JSP, JDBC, HTML, CSS, Bootstrap*

- Developed a web application for bike rentals with real-time availability and booking features.
- Incorporated user authentication and an admin panel for managing inventory and rental activity.
- Enhanced the application with intuitive design elements for a smooth user experience.

Portfolio Website | *HTML, CSS, Bootstrap, JavaScript*

- Built a visually appealing personal portfolio website to showcase projects, skills, and professional achievements.
- Implemented responsive design and interactive features such as dynamic project sections and smooth navigation.
- Optimized the website for search engine visibility and seamless user engagement.

Desktop Application | *Java Swing*

- Developed a robust Java Swing desktop application for inventory management with CRUD operations.
- Incorporated advanced GUI components for efficient and intuitive data handling.
- Provided features like report generation and data export for better reporting capabilities.
